Abstract

Begin here

Biography/History

The Jones-Placke funeral home was located in Richmond Indiana.

Scope and Content Note

The collection consists of death certificates and records of the funeral home. The collection was arranged in chronological order and we kept this arrangement while making a complete list of death certificates in the collection. To find someone, search the document for last name. In some cases, the handwriting on the certificate was not very legible. We have put asterisks where we feel like we might have the wrong name.
